

# CLUSTER

LEADING UNIVERSITIES OF  
SCIENCE AND TECHNOLOGY

Invitation to join the high-level 25th anniversary symposium

## **CHALLENGES AND FRONTIERS IN ENGINEERING EDUCATION**

Thursday October 22<sup>nd</sup> 2015, Evoluon, Eindhoven

CLUSTER (Consortium Linking Universities of Science and Technology in Education and Research) cordially invites you to join us in discussions on:

- innovative doctoral training - technology-enhanced learning -
- involvement of society - entrepreneurship - internationalization -
- the outreach and MOOCs - gender balance -

An inspiring day to meet with the presidents of Europe's leading universities in Science and Technology, deans, directors, professors, experts and students.

Join and celebrate 25 years of collaboration at the highest level!

Full program online at [www.cluster.org](http://www.cluster.org) from March 10, 2015

Invitation to join the high-level 25th anniversary symposium

# CHALLENGES AND FRONTIERS IN ENGINEERING EDUCATION

Thursday October 22<sup>nd</sup> 2015, Evoluon, Eindhoven, the Netherlands

The Universities of Science and Technology of the CLUSTER network are pushing the educational limits of students to prepare them for the grand challenges of our time. Join our 25th anniversary symposium to discuss the future of engineering education with our deans, directors, professors, experts and students. Parallel sessions and workshops will address the following subtopics:

Program Thursday October 22<sup>nd</sup> 2015

8:30 Opening & Key Note Lectures

9.30 Parallel sessions on:
